

Robert Wood Johnson Foundation

Summer Medical And Dental Education Program (SMDEP)

The Summer Medical and Dental Education Program (SMDEP) is a free six week summer academic enrichment program for freshman and sophomore college students who are interested in a career in medicine or dentistry. SMDEP is implemented at 12 sites across the nation, and all programs provide a basic science curriculum, career development activities, clinical exposure and a financial planning workshop. The program is funded by the Robert Wood Johnson Foundation with direction and technical assistance provided by the AAMC and the American Dental Education Association.

To apply and for additional information visit our website at www.smdep.org or call the National Program Office toll-free at (866) 587-6337.
